OHMI Privacy Policy

OHMI is an educational organization involved with minors, so the Board has set policy about dissemination of information regarding your student(s). **Below is the stated policy:**

Information is not given to anyone outside of OHMI unless you have given permission in written form. To protect your child, OHMI will never put a student's name and photo together. Students' names and instrument/vocal part will be printed in all programs for concerts. Ensemble photos will be used for OHMI promotional materials - brochures, display board, website etc.

Parents have the option of having individual student's photos used (with no names attached). For example, on the page with Solo & Ensemble Festival results, we can post the student's picture and their rating for recognition. Or if there are casual photos of OHMI students those can also be posted, used for newsletters, display boards, etc.

Inclusion in the Student Directory is optional – parents have the option to leave information in the directory. The Directory is published to make it easier for OHMI families to carpool or be able to contact other students to practice, etc.

Student Behavior Expectations/Safety Guidelines & Waiver form

Student behavior:

Students will be respectful to all teachers, students and others at all times and will not be disruptive in class. Students will be given one verbal warning, after which they will be asked to sit out the rest of the class so as not to be a distraction. If the behavior continues, parents will be notified, and other measures will be taken.

Inappropriate behavior, language, or dress will not be tolerated. Clothing needs to be modest, with shoulders, stomachs, and undergarments covered at all times. No vulgar or indecent shirts, or extreme clothing styles should be worn.

Students will be respectful of the facilities, as we are guests in the buildings, and need to leave the church in the condition it was found in. Students will also be careful of other student's instruments & belongings, and should ask permission before using others' property.

Students are expected to come to class prepared with all supplies and be ready to learn. Restrooms should be used before or after class to eliminate absence from class. We have limited instruction time, and wish to use it to the fullest. If the restroom has to be used during class, the student should ask permission from the instructor. Students will go to the restroom unescorted, but the Hall monitors will be monitoring student & visitor activity from the hallway. Cellphones will be silenced and put away for the duration of the class. If students are using them in class they will be taken away by the teacher after one warning, and returned to the parents.

Students should not be wandering the building at any time. They should be in class, in the study or social room if they are waiting for another class, or for a sibling, or should be signed out & leave the building with a parent, unless they have driven themselves. Students will sign in & out of OHMI, so in case of an emergency when the building must be evacuated (such as a fire), we can account for all persons after evacuation. Hall monitors will be assigned each time block to facilitate this.

Parents:

Are welcome to sit quietly in the back of class, however, if you have younger siblings with you, we ask that you take them to the social room and keep them occupied there. **Parents are responsible for all children not enrolled in OHMI's program. Parents are also responsible for students who are not in class** (i.e. are finished for the day, but have not gone home). Students 10 and older may stay in the social or study room, but children under 10 should be supervised by a parent when not in class.

Waiver of Liability:

We hold the teachers, directors, and coordinators of Oakland Homeschool Music, Inc. harmless for any injury that might result to a student while attending classes and activities.
