

Welcome to all guitar students at OHMI Troy:

I am excited, like you are, learn and grow at OHMI. And the opportunity to perform in December, March, and May will be exciting and rewarding.

It will take practice, patience, and a willingness to learn to make this year successful for you.

For Guitar 1 students, daily practice of 15 minutes a day requested. For Guitar 2-3 students, 30 minutes.

For those asking for a grade, please fill out your practice records to hand in at the end of each month.

My email address is mrbono@ohmimusic.com. I'll be checking my emails no later than every 2 days.

Grading will be evaluated on:

Attendance-25%

Class Participation-25% - I do ask the students questions

Practice-25%

And Performance-25%

Lets enjoying learning, and playing the guitar together.

Sincerely,
